Those who take studio classes are eligible to participate in the Spring Studio Performance. A non-refundable, end of the year production fee applies and includes costuming and performance related activities.

Costuming must be ordered months in advance and only those who have paid this fee will have costumes ordered. If a dancer withdraws from class after costumes are ordered, the remaining balances must be paid and costumes may be picked up after the performance. All fees, including tuition, must be paid in full prior to participation. The following is a schedule of payments for the production fee. A set fee of \$140.00 is charged for those taking only one subject and PK Dance ages 3-4 while those taking 2 subjects and the PK Dance ages 5-6 pay \$190.00. (Working Moms is contingent on number of pieces.) For those students participating in 3 or more subjects, the package price is the most economical way to go. Please note: Performers will receive costumes only after all fees and payments have been satisfied.

**Company:**  
 Information regarding membership and performance fees for company members is handled by Moore OnStage and included in their brochure, "What You Should Know." Taylor Dance provides training for Moore OnStage Company Members that meets all necessary requirements.
